

Official Map Of Country Park Trail

- (A) North trail entrance – Use caution when exiting here, watch for pedestrians.
- (B) Forest Lawn Cemetary – No bikes allowed.
- (C) Restrooms and playground.
- (D) Old Jailhouse used during early 1900's
- (E) Existing Greenway – Allows you to ride from Country Park to Bur-Mil Park without riding on any highway.
- (F) South trail entrance – Better known as Safety Town, trail begins at corner of chain-link fence. There are restrooms in the Lewis Recreation Center.

4.25 miles of hilly technical and semi-technical – wooded singletrack (Difficulty 3-4*)

* (Difficulty is an overall estimate, 1 being "easy" & 5 being most "difficult". Always use caution when riding a trail you are unfamiliar with and remember that trail conditions are subject to change.)

From I-40 take 220 North — 220 will become Battleground Avenue North, continue for about 7 miles then turn right onto Pisgah Church Road. Take the next immediate left, this will be Forest Lawn Drive. Park in the paved lot behind the Lewis Recreation Center. You will see a small village called "Safety Town", the trails begin to the right of its chain-link fence. Please avoid Posted areas. There is a paved loop around the Jaycee Park when you exit the trails on the North side, please stay in the bike lane if you choose to ride here. This park also connects to Guilford Battleground Memorial Park.
